

## PROJECT SCREENSHOT

Home Page :

The screenshot shows the homepage of a website for "Sweet DELIGHTS". The header features the brand name "Sweet DELIGHTS" with a small illustration of cashews. On the right side of the header are buttons for "Order" (with a cart icon showing 0), a user profile, and "Login". Below the header is a navigation bar with links for "HOME", "OUR PRODUCT", "ABOUT US", and "CONTACT US". To the right of the navigation bar is a search bar with a magnifying glass icon and a "Login" button. The main content area has a yellow background with a decorative pattern of cashews. It features a large image of a traditional Indian sweet dish, Kaju Katli, arranged in a star shape on a gold-colored plate. To the left of the dish, the text "Tasty Sweets" is written in a stylized orange font, followed by "Made With Pure Ghee". To the right of the dish, the word "SWEET" is written vertically in large, bold, white letters. Below the main image is a section titled "Popular Items" in red text, featuring three smaller images of popular sweets: Rasgulla, Jalebi, and Rasmalai.
